

“Dhwani Club”

Department of Audiology and Speech-Language Pathology, SGT University

The *Dhwani Academic Association Club*, established in 2020, is an academic and co-curricular initiative by B. ASLP students under the Department of Audiology and Speech-Language Pathology at SGT University. The club aims to enhance the academic and professional growth of students in the Bachelor of Audiology and Speech-Language Pathology (BASLP) program. **‘Dhwani’** meaning “sound” reflects the core mission of the field—*enabling communication*. It is a vibrant platform that brings together students and faculty members who share a passion for communication sciences and the holistic development of professional and interpersonal skills.

The club is committed to organizing a variety of **enriching events, including workshops, seminars, awareness campaigns, hands-on training sessions, and Guest lectures**. These events not only supplement the academic curriculum but also create opportunities for leadership, teamwork, and creative expression among students.

The **Dhwani Club** plays a crucial role in fostering a sense of community, collaboration, and professional identity within the department, encouraging every member to strive for excellence both inside and outside the classroom.
